

Who Do I Need To Be
To Lead this Change?

LINDA HUTCHINGS

an acceptable level of harm

staff ~~patients~~ should leave our care better than when they came to us

“Our quality of life depends on the quality of our leaders”

Warren Bennis

your leadership

thoughtful	voice
↑	+
careful	visibility
↑	+
careless	values
↑	+
thoughtless	vision

your values

your top ten
then... your top five
now... your top three
try ranking them!

are you walking your talk?

your leadership vision

have you got one?
your role models? why?
level of performance?
your reputation? your brand?
your legacy?
why should I be led by you?

you can't hit a target you can't see!

your leadership vision

have you got one?
your role models? why?
level of need?
your brand?
your legacy?
why should I be led by you?

by design or by default?

you can't hit a target you can't see!

"The greater **danger** for most of us,
lies not in setting our aim too high
and falling short,
but in setting our aim too **low**,
and achieving our mark"

Michelangelo

if leadership was easy,
everyone would be doing it,
and everyone
would be doing it well!

**what will you do
to step up?**

**thank
you!**
